

# Major Bleeding Kit #V12190

Do you need a simple solution to be better equipped for the worst? Take a look at the Major Bleeding Kit. Each component is hand-selected by our experts to deliver the most comprehensive solution for stopping a major bleed, **even if the victim is on blood thinners!** Kit comes in a clear resealable plastic pouch.

## Major Bleeding Kit includes:

- 1 - Emergency Trauma Bandage
- 1- Celox 15g Packet
- 1- Pair non-latex gloves
- 1- ABD Pad (9' x 5')

### Featuring: Celox™ Blood Clotting Agent

- clots blood in thirty seconds
- significantly reduces blood loss
- clots blood containing anticoagulants like Coumadin, heparin and warfarin
- is effective in clotting hypothermic blood
- is simple and safe to use.

You can rely on Celox™ to stop bleeding when you need it most.
